SOFTWARE DEVELOPER

Greater Noida, India | 8009541464 | rahulmaurya2648@gmail.com | linkedin.com/in/rahul-maurya-dev-ai | github.com/rahul2648

SUMMARY

MCA student skilled in Full Stack Development, AI/ML, and Python. Built six end-to-end projects across MERN, machine learning, and computer vision, backed by Generative AI and AWS internships.

TECHNICAL SKILLS

Languages & Web: Python, Java, C/C++, JavaScript, SQL, HTML5, CSS3, MERN Stack, Flask

Databases & Tools: MySQL, MongoDB, Git, GitHub, AWS, Power BI

AI / ML: Machine Learning, Scikit-learn, OpenCV, NumPy, Generative AI, LLMs, Prompt Engineering

EXPERIENCE

Generative AI Intern

Jul 2024 – Sep 2024

Google Cloud

- Built projects using Generative AI tools and LLMs, applying prompt engineering to improve outputs

AI-ML Virtual Intern

May 2023 – Jul 2023

Amazon Web Services

- Built and evaluated ML models on real-world datasets using AWS cloud tools

PROJECTS

GiftandGrid – E-Commerce Platform

Node.js, Express, MongoDB (MERN)

github.com/rahul2648/giftandgrid

- Full-stack shopping platform with cart, checkout, and real-time inventory management

AI Chat Copilot

Python, FastAPI, LLM

github.com/rahul2648/ENGINEERING-CAPILOT

- Student workspace with AI Mentor, Coding Assistant, Resume Analyzer, and AI Interview prep

Face Recognition & Smart Attendance System

Python, OpenCV, NumPy, Dlib

github.com/rahul2648/face-recognition-system

- Real-time face recognition system that logs student present/absent records to a database

House Price Prediction

Python, Flask, Scikit-learn

github.com/rahul2648/house-price-prediction

- Linear Regression & Random Forest models to predict house prices, deployed with Flask

Quiz App

Java, JDK, HTML, CSS

github.com/rahul2648/QuizApp

- Quiz application with 50-50 lifeline, timer-based rounds, and instant results

EDUCATION

Master of Computer Applications (MCA – Core)

2025 – 2027 (Pursuing)

Galgotias University, Greater Noida

Bachelor of Computer Applications (BCA – AIML)

2022 – 2025

Galgotias University, Greater Noida

Senior Secondary (12th) – Commerce with Mathematics

2021 – 2022

Aggarwal Public School, Faridabad

Secondary (10th)

2019 – 2020

Aggarwal Public School, Faridabad

CERTIFICATIONS

Google AI-ML Virtual Internship (2024) • AWS AI-ML Virtual Internship (2023) • IBM AI Fundamentals (2024) • Oracle SQL Programming (2023) • NPTEL – Training & Development (2023) • Coursera Front-End Developer (2025)
